

SPARK is governed by a 29-member working Board of Directors, which includes the Superintendent of Prince William County Public Schools, the Chairman of the Prince William County School Board, and four officers.

The Board is comprised of a diverse group of companies who reflect the county's business sector and community-at-large. Members serve for three-year, renewable terms. Through the Board's tireless efforts, the Foundation has achieved greater gains than at any point in history. The Board's leadership, time, and commitment make the Foundation's work possible.
